
**PRIX D'AMERIQUE OPODO SALE
DAY 2 RESULTS
PARIS-VINCENNES RACECOURSE**

The second day of the Grand Prix d'Amérique sale, which was dedicated to breeding stock and in which the organisers had chosen to reintroduce a select number of broodmares, achieved a turnover of €956,000 (not including the stallion shares auctioned by sealed bid) up by 33% compared to the same day last year. In addition to this satisfactory turnover, the clearance rate (68%) was clearly up on that of last year (54%). In line with this the average and median prices were also respectively up at €16,000 and €12,000.

A top price of €53,000 for a PRODIGIOUS share

The top price of this session was paid for a **PRODIGIOUS** share which went for €53,000 to JLB Management following the advice of Gérard BOURGEOIS (Horse 2000 Courtage), while Edouard MEIER FEIL had to go to €52,000 to secure the last share for **QUAKER JET** to be offered at auction. The Prix d'Amérique winner **ROYAL DREAM**'s share caught the eye of an investor who chose to remain anonymous at €46,000.

On the broodmares' side **QUEEN JET**, a daughter of VIKING'S WAY and sister to the excellent PRETTY JET, whose first offspring of racing age had just run well first time out, changed hands for €40,000 to go to **NORMANDIE TROT** (run by **Michel GASSELIN** and **Dimitri GALLIER**), while **TOOTSIE SMILING** consigned in foal (nomination paid) to QUAKER JET will now join the **Jacquets** breeding operation for €33,000. **Thomas BERNEREAU** racing spent €29,000 on **BELISHA PERLE**, a daughter of the champions READY CASH & FINE PERLE coming out of training. She will now join the **DUBIEFs** breeding operation (under the « NOYER » banner).

Finally, it is worth noting that the agency **NORMANDIE TROT** proved the most active during this session with 4 lots bought for a total of €93,000.

The sale continues on 23 January from 6:30 PM.
